About NDIS and Access to Care

NDIS stands for National Disability Insurance Scheme which is a new way of providing services for Australians with Disability, their families and carers by increasing their independence, community participation and improved wellbeing.

Access to Care can provide you the relevant approved NDIS services. We understand that it can be challenging at times to identify and navigate the different NDIS supports and so Access to Care can take care of the needs of your loved ones in accessing as well as supporting with NDIS

Eligibility for NDIS

To be eligible, you or the person you care for must:

- 1) Be under 65 years of age
- 2) Live in Australia and :
be an Australian citizen OR
hold a permanent visa OR
hold a Protected Special Category Visa
- 3) Have a permanent or significant disability

"Its your Choice and Control over the services you receive and with you ...we will make sure in strengthening your capacity to do so!"
